

New Water Rates Expected To Cut Losses To District

New Minimum Rate Will Become Effective On November 1

After a lengthy discussion pro and con, the directors of the Truckee Public Utility District at a special meeting last Thursday voted to increase the water rates in the district.

The new rates, providing for a minimum of \$4.50, were based on exhaustive investigation with a number of reasons being taken into consideration.

The investigation was made by Edwin Fleischman for the district early this year and brought out the fact that the current rates were too low. This investigation was requested by a petition presented to the board and signed by 232 voters of the district.

The water department of the district has never paid for itself and owes the electric department \$142,761, according to Manager Daven Morey, who added that this amount represents a total paid out by the electric department over a long period of years for installations and operation.

The increased cost of material and labor has been apparent in the past few years, Morey pointed out, and the water department cannot absorb these costs at the present rates. During the past year, labor costs have increased 17 per cent and materials correspondingly, he added.

The minimum rates will be raised \$1.50 per month and the gallonage rate of 10 cents per 1,000 gallons for all over 60,000 gallons will be dropped and the new rate will affect users of over 30,000 and will be 15 cents per 1,000 gallons.

In comparing rates with the surrounding areas, it was found that the new rates of the district will still be lower than most districts. New rates will go into effect November 1, the board agreed.

Eight Injured As Mishaps Continue

Eight people were injured in six personal injury accidents reported to the California Highway Patrol during the past week.

Charles Rowland, 24, Bronson, Missouri, suffered minor injuries when a produce truck driven by Roy Dinertoff, 24, also of Bronson, was ditched one mile west of Floriston Sunday morning at 2:15. Dinertoff told officers his brakes failed and thinking he still had

BOARD OF TRADE IN PROMOTIONAL MEET

A promotional program for Nevada County, including the distribution of maps and informational brochures was the principal topic on the agenda at the last meeting of the Nevada County Board of Trade.

Dale L. Smith, chairman of the group presided. A letter was read from the Los Angeles County Fair announcing that a trophy will be presented to the owner of the winning horse on Nevada County Day, September 21.

O. P. Steward, president of the Golden Chain Council, discussed the value of promotional work being done by that organization and requested and received a contribution of \$400 for the project.

New maps of Nevada County, estimated to cost \$1450 was discussed but the chairman requested the map committee make further study before any definite action is taken, indicating the budget might not stand the strain.

Dan Horman of Truckee is a member of the board.

GREAT BOOKS CLUB TO RESUME MEETING

The Great Books Discussion Group resumes its regular series of discussions Wednesday, Sept. 9. The Meditations of Marcus Aurelius Antoninus will be discussed beginning at 8 p. m. in the library of the Tahoe-Truckee High School in Truckee.

While all philosophers are welcome and are urged to attend the discussions, the group as a whole is made up of men and women of the area who hope to find time to read the various assignments and enjoy meeting to discuss and compare their ideas. Anyone interested in visiting the meetings is invited to do so.

Three active members of the group have moved away and will be missed. They are Mr. and Mrs. Bob McLane and Miss Winifred Collins.

Visit Area—

Mr. and Mrs. Dan Holub and three daughters of Santa Ana, are vacationing and visiting friends in the area. Mr. Holub was a former high school teacher at Tahoe-Truckee High. He is now teaching in Buena Park, Fullerton District and is in charge of health and safety departments.

20 Per Cent Gain In Enrollment As Schools Are Open

Schools in the Tahoe-Truckee Unified District opened Monday with an approximate 20 per cent increase over the opening day of last year.

Superintendent John Corbin reported a total enrollment in the five schools of 1468, compared to 1315 on the opening day last year.

Both the Kings Beach and Tahoe Lake schools are filled beyond normal capacity, with 276 in the former and 385 at Tahoe City. The Donner Trail school has an enrollment of 59 and the Truckee elementary, 398, with 350 in the high school.

Rebekahs Plan For Initiation Meeting

By VIRGINIA O'BEAR

Naomi Rebekah Lodge No. 2 held a meeting August 26 at the IOOF hall, with Noble Grand Dorothy Slack presiding. Topic of the evening was the preparing of plans for an initiation of five new candidates to be installed at the next meeting to be held September 9. The meeting will be formal and the officers will wear their staff formals.

The new members to be initiated are Maureen Brown, Mary King, Dorothy Stice, Muriel Lund and Claudie St. Claire. Noble Grand Dorothy Slack will preside over the formal ceremony with the help of her officers.

Following the affair, refreshments will be served by hostesses Lavina Rablin, Lona Boren, Julia Davis, Ruth Gross, and Kay Fudge.

At the August 26 meeting, a report was given by Julia Davis concerning the district picnic held at Bear Valley last Sunday by the Independent Order of Odd Fellows. A delicious breakfast was served after it was prepared by the Odd Fellows and at noon everyone enjoyed a picnic lunch. Many games were played by the adults and children and two of our local boys won first prizes in the log nailing contest and the sack race. Lynn Vind won the nailing contest and Danny Eddings won the sack race. The mystery package was won by Mrs. Charles Heller.

Another interesting report was given by Lavina Rablin and Leona Vind concerning the trip to Dutch Flat on August 14 to attend the official visit of State President Helen McFarland and her topic of the evening was "The Meaning of Odd Fellowship."

After the meeting and all of the interesting reports, refreshments were served by Lavina Rablin and Sue Reams.

BIDS ARE OPENED FOR MONTE VISTA ROAD

The Madonna Construction Company of San Luis Obispo submitted the low bid for construction of a four-lane freeway between Monte Vista and Baxters.

The division of highways reported the bid was for \$4,739,175 and provides for realignment and four-lane 5.1 mile stretch of new highway. The new route will follow the present line of U. S. Highway 40 up the Canyon Creek canyon.

The Apple Tree Inn, just west of Baxters, has already been removed to make way for the new road.

A detour which will divert traffic through Alta has been constructed to permit uninterrupted work on the new highway.

Attends Meeting

Roy Baker spent Sunday attending the Northwest District meeting of the Nevada Library Association in Carson City. He participated in the program as moderator of a panel discussion on the topic, "The School Library and Public Library Conflict; Combining the Two Libraries—the Pros and Cons." Baker has been an associate member of the Nevada Library Association the past four years.

Youth Dies After Fall On Summit

Steve Brodie, 20 year old Nevada City youth died a few hours after a fall from the pine tree on Donner Summit.

Brodie, a Sierra College student was working for the U. S. Forest Service on a snow survey. He plunged 60 feet from the tree while attaching a wind gauge. The accident occurred at the Pacific Southwest Forest and Range Experimental Station near Soda Springs.

The boy was rushed to the Tahoe Forest Hospital for treatment but died shortly thereafter.

Brodie had worked for the forest service for three years. He was the son of Mr. and Mrs. Hugh Brodie of Nevada City. Services were held in that city Monday.

MRS. SAARNI HOSTS PARTY FOR BRIDE

Miss Nelda Stone, who became Mrs. Lowell Gulling on Sunday, was the honored guest at a surprise kitchen shower held last Friday evening at the home of Mrs. Roy Saarni.

The table was appropriately decorated with traditional bride's colors, and a small station wagon adorned with "Just Married" signs and colored ribbons made up the centerpiece. After the bride had opened her many attractive gifts, refreshments were served, and the evening ended with a lively session of bingo.

Besides the bride's mother, Mrs. Nelson Stone, and her grandmother, Mrs. Paula Schubel of Santa Rosa, other guests attending the shower were Mesdames Orlin Waters, Everett Cratty, F. W. Wilson, I. Firpo, Roger Johns, Ed Fischer, John Halliwell, Norman Anderson, and Miss Donna Barnes, Miss Terry Ellis, Miss Sherry Curran, and Miss Joanne Wray.

SON OF TAOHEAN IS IN EAST EXERCISES

FORT CAMPBELL, K. (AHTNC) Army PFC Billie L. Burger, 19, son of Mrs. Jennet Moe, Tahoe City, recently participated with the 101st Airborne Division's 187th Infantry in Exercise New York Eagle I.

The paratroopers were airlifted by C-124 aircraft from Fort Campbell, Ky., to Mitchell Air Force Base, N. Y., where preparations were made for an airborne assault and mock battle. The exercise tested the preparedness of the 101st, a major Strategic Army Corps unit.

Burger, assigned to the infantry's Company A, entered the Army in March 1958. His father, Fred Burger, lives at Oxnard.

ELECTION DEFERRED

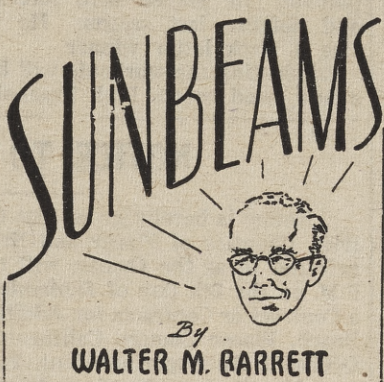

Plans for construction of a clubhouse were discussed at the meeting of the Shadow Valley Country Club Friday evening at the office of the justice court. However, the election of officers and establishment of a set of by-laws was deferred for the time being.

CHAMBER MEETING

The Truckee Donner Chamber of Commerce will meet Wednesday at luncheon at Smart's, President N. F. Dolelly announced this week. Important issues will be discussed.

Bequette Visits—

At Bequette, superintendent of schools of Placer County, was a business visitor here and at Lake Tahoe Tuesday.

Although Labor Day and its accompanying weekend are now one of the Nation's most popular three-day holidays, probably few persons know how the day's observance originated. An early day labor organization, the Knights of Labor, suggested in 1882 that labor should have a day to show its strength and spirit just as there were holidays for religious, civic and historical occasions. Oregon became the first state to recognize Labor Day formally when on February 21, 1887 it set aside the first Monday in September as a state holiday in honor of labor. By 1894, Labor Day was a legal holiday in more than 30 states and congress in that same year recognized Labor Day as a legal holiday in the District of Columbia and the territories. Labor Day is now observed in every state and possession on the first Monday of September. Labor has come a long way since those days. It no longer really needs a holiday to call attention to its strength and spirit. Instead, the halls of congress and legislatures resound with debates over measures proposed to curb the strength of organized labor. Labor Day used to be observed with parades and picnics. There are few of these nowadays. It has rather become part of a three-day holiday in which America bids farewell to the vacation season, gets ready to send the kids back to school, and settles down for another year of labor.

3 Truckee Artists Win With Exhibits

Truckee artists were well pleased with the result of the judging at the Nevada County Fair which closed after a record attendance last week at Grass Valley.

Three prizes were awarded the five pictures exhibited at the show by local painters. Carroll Maynard won a first in graphic design, while Mrs. Frank Fox took second in oil landscaping and Mrs. William Fordham took third in the landscape division.

Another local exhibitor was Mrs. Ed Andrus who offered a pen and ink design. There was no classification for this entry.

James Sherritt, member of the fair commission, and Mrs. Sherritt were in daily attendance at the fair and said it was the best ever held and that the grounds and exhibits were outstanding.

HAUG'S NEW MOTEL IS GIVEN PUBLICITY

A recent issue of the Cambrian, the weekly newspaper published at Cambria, devotes a page to Mr. and Mrs. Walter Haug's new 41-unit motel at Pico creek and the scenic Cabrillo highway north of Cambria. The motel is situated at the nearest point to Heart's Castle and has the Santa Lucia coastal mountains in back and a sweeping seascape of the ocean at the front.

Mr. and Mrs. Haug, who formerly managed the Sugar Bowl on Donner Summit, took over the new San Simeon Lodge this summer and according to reports from the area are making a big success of their new venture.

The Haugs invite their friends to make a leisurely tour of Heart's Castle, a recently acquired state park, while relaxing at their new lodge. All conveniences, including a swimming pool, dining room and lounge are available.

LOCAL CAR STOLEN; SUSPECT IS NABBED

Walter Atkinson, former Truckee laborer, was being held at Sunnyside on a grand theft charge following his arrest Monday by officers in that city. He is accused of stealing a 1956 Ford belonging to Mr. and Mrs. Roland Garwood, operators of the Truckee ambulance service which had been left parked in front of their home Sunday night.

The arrest followed an all-points bulletin broadcast by the California Highway Patrol here.

HEALTH OFFICIAL IS NAMED FOR COUNTY

Dr. Stanley W. Ogush of Grass Valley has replaced Dr. George Foster as Nevada County's health officer, the latter having been granted a medical leave of absence by the board of supervisors.

Dr. Ogush held his first staff meeting last week, attended by Richard Walker of Truckee, who reported the reorganization of the staff successful.

ESCAPEE REARRESTED

Just two hours after he escaped from the Washoe County Jail at Reno, where he was serving a term for fictitious checks, Edgar W. Wakefield, 40, Miami, was rearrested here last night by Deputies Roy Waters and Leo Zander and held for Reno officers.

Paces See Friends—

Restrictions Are Placed On Logging Due To Fire Danger

Work Stoppage Ordered If Hazard Reaches High Mark In Forest

Logging operations on all national forest lands in California will cease at 1 p. m. on any day that the timber burning index reaches 33 or above and private industry is being asked to go along with this plan immediately.

This announcement was made at a meeting of agencies, companies and individuals at the Sierraville school house Monday night, by Henry Branagh, supervisor of the Tahoe National Forest, in pointing out the existing fire dangers.

The plan is already in effect in other areas of Northern California.

The 33 mark is set as a degree of fire hazard. The scale runs from 0, when it would be impossible to start a fire, to 100 when a fire is actually burning. The degree is based on dryness, humidity, wind velocity and other governing factors.

Kenneth Keven Is Killed By Tractor On Trinity Project

KINGS BEACH—Last rites for Kenneth Calvin Keven, 33, killed in a tractor accident at Trinity Dam on August 27, were held Monday at the Community Methodist Church here with Rev. Earl Langguth officiating. Interment was in the Tahoe City cemetery.

Keven, son in law of Mr. and Mrs. Red Waddell of Kings Beach, was thrown from the moving tractor which ran over him.

The deceased was a native of California, born February 23, 1926. He leaves his wife, Diane, his mother, Mrs. G. Fuller of Stockton and a sister, Mrs. Nadine Thesby of Alaska.

Pallbearers at the services were Frank King, Leonard Thisby, William Thisby, John Livingston, Carman Silveria and Bud McCallen.

Seattle Man Dies Of Asphyxiation

Charles Edwin Hitchcock, Jr., 39, of Seattle, was asphyxiated by carbon monoxide gas while driving over the Brockway shortcut Saturday.

Hitchcock, who was said to be tubercular, and his companion, Robert Love, had been seeking employment at Lake Tahoe. Love was sleeping in the back seat of the car and when he awoke, the motor was still running and Hitchcock was unconscious and never regained consciousness although he was rushed to the Tahoe Forest Hospital.

Hitchcock leaves a brother who arrived from Seattle to make funeral arrangements. The rites were held yesterday afternoon at the Truckee Colonial Mortuary and interment was in the Truckee cemetery.

Hitchcock was a native of California, born June 27, 1920. He had been in this state from Seattle for about three months.

SERGEANT WARNS OF DANGER TO CHILDREN

"Watch out for children—they may not be watching for you."

This is the appeal of Sergeant F. H. Snyder, officer-in-charge of the California Highway Patrol's Truckee Substation issued after noting that reopening of schools increases the hazard to children in the vicinity of school grounds.

"Small children, particularly, are unpredictable and may dash into the street at any time," Snyder continued. "Concentrations of bicycle riders are also found near schools, making special alertness on the part of every motorist necessary."

The CHP commander also reminded drivers that they must stop when they come upon a school bus that is displaying a flashing red light.

"This signal means the school bus has stopped to take on or let off children and that youngsters will be crossing the roadway to and from the bus. The driver must stop under such conditions unless the bus is at an intersection controlled by a traffic signal or officer, or is on the opposite roadway of a divided highway."

"Incidentally, a ride in a school bus is the safest ride in California. This is assured by the California Highway Patrol's semi-annual inspection of all public and private school buses. Most of our pre-school opening inspections have been completed within the past few days."

MARRIAGE LICENSES

Good Hunting But Danger Of Fires Viewed This Year

Governor Will Not Issue Proclamation Unless Danger Grows

Governor Edmund G. Brown has announced that he will not issue a proclamation to close the wildlife areas in California unless conditions become worse.

He added that he would keep in daily touch with the conditions, however, and would close the areas if necessary.

If present conditions continue until September 26, when the deer hunting season opens in this region, hunting will be good but the fire hazard extremely high.

This was the report from both George Wurst, of the state fish and game management department and Warden Charles Spillner, both of whom have been conducting extensive surveys of the local district.

Wurst indicated that unless the fire hazard in the area is reduced, there is a possibility that some sections of the forest at least may be restricted to hunters, although he admitted such a move would be difficult under present rules governing private property rights.

Both Wurst and Spillner said bucks are plentiful and in excellent condition. The Martis and Sardine Valley areas, as well as Hobart Mills and Boca are well filled with deer while they said the shoot will probably not be up to last year's mark, a better than average season is expected.

However, both warned of the danger of fires as the brush and grass are tinder dry and the forest in an explosive condition. Unless a major storm develops before the opening of the season, there must be extreme caution used by those frequenting the forest if a major conflagration is to be avoided.

This same warning has been repeated time after time by officials of the U. S. Forest Service who have been maintaining a careful watch and have suspended all burning in even authorized dump areas. Campers, picnickers and home owners are being warned constantly and numerous arrests for violations have been made in an effort to prevent a disastrous fire.

Eagles To Reform Lodge In Truckee

There is a good possibility that the Eagles Lodge in Truckee will be revived.

George L. Perry, deputy grand secretary of the lodge in California and organizer for the fraternity, was here Saturday to discuss the reformation of the Truckee aerie.

The local charter was surrendered to the national organization in 1956 when the lodge became inactive due to lack of interest and inability to hold regular meetings as required. At that time it was agreed that when conditions warranted, the charter would be returned.

Perry pointed out that if the charter is returned to the local lodge it will be accompanied by approximately \$10,000 which was the amount in the aerie's treasury when the charter was picked up and the lodge suspended. This money can be used by the local membership for any purpose it desires and the suggestion has been offered to erect a lodge hall or club for the membership.

Perry said further discussions will be held in the future but that the reorganization suggestion has met with considerable favor.

TWO POST OFFICES APPROVED IN SQUAW

TAHOE CITY—The Post Office Department has approved establishment of a rural station at Wayne Poulsen's shopping center in Squaw Valley, according to Postmaster Oliver Corona. The opening date for the station has been set for October 1 and the name will be Squaw Village, California.

The new office will be a tributary to the Tahoe City post office and will be served six days each week, with no service on Sundays or holidays.

In addition, the post office department will establish an office at Olympic Village to be known as Olympic Valley, California, starting December 1, 1959 and continuing until March 1, 1960, for a period of four months. The latter office will be located in the Olympic Village and will serve contestants and spectators alike.

In the meantime, preparations are being made for issuance of an Olympic commemorative stamp to be issued February 18, 1960, at the same time the Olympic Games are scheduled to start. Those wishing first day covers should write to Postmaster, Tahoe City, California.

Summer is waning, but the derriere drape over the Tahoe City bridge never diminishes. The pampered trout would rise in revolt if their bridge audience ever failed to bend and view their bait!

All Tahoe residents should heed the warning and plea of the Tahoe Improvement and Conservation Assn., a non-profit corporation, organized in 1957, to represent the views of home owners and businessmen who believe sound planning must be followed if the distinctive and rare qualities of the lake are not going to disappear. Officers and directors are Tahoe residents and prominent businessmen: William D. Evers, president; James K. Brown, first vice president; James McClatchy, second vice president; Charles E. Noble, secretary-treasurer; Will M. Bliss, Glenbrook, Dr. Victor

Brochard, Tahoma, A. J. Caton, Tahoe Park, Gordon Johnson, Tahoe Meadows, Ray Knisley, Camp Richardson, Thomas J. MacBride, Tahoe Pines, Homewood; Joseph F. McDonald, Zephyr Cove, Linne Nelson, Bijou. The association has a voice which can and does carry weight with state and federal offices on Tahoe problems, but it must have support by all who would prevent Tahoe from becoming another honky-tonk resort area. Their goal is 1000 active members. All memberships carry voting rights. Dues are: regular, \$5 or \$10 a year; sustaining, \$15; contributing, \$25 or more; and group memberships, a special category for neighborhood improvement clubs, \$25. Lakewide federation will effectively serve to keep Tahoe from being permanently spoiled by the present threatened uncontrolled commercialization. Help preserve Tahoe as you know and want it. Send membership fees to the association at 1430 Russ Bldg., San Francisco 4, Calif.

Patricia Louise Campbell and William C. Callender were married August 22 at the Kings Beach Methodist Church in the outdoor

chapel. Pat is the daughter of Mr. and Mrs. John D. Campbell, San Francisco, and Bill is the son of long-time Tahoe residents the Benjamin F. Callenders of Homewood. After the ceremony the young couple were toasted at a family reception at the Callender's apartment. The bride made her debut at the 1953 Cotillion and a reception given by her parents. She is the sister of Mrs. Gordon Lawson (Grace Campbell) of Honolulu; Gloria, this season's deb, Donald Campbell and Barry and William Knorp. She is an alumna of Miss Burke's and Mount Vernon College. Bill, now a stock broker in San Francisco was a Pi Kappa Alpha at University of California and a member of the Bachelors until Saturday.

Pat wore a Dior blue brocade dress, small matching veil, and carried a bouquet of white posies. Gloria, as attendant for her sister, wore a blue and white silk print. Richard S. Miller was best man. The couple will live in San Francisco.

Bushey's Lodge, Tahoma.

Mr. and Mrs. Jim McCause of San Francisco, vacationed at Stanola Lodge, Tahoma.

The Junior Wallace Breuners and family spent two weeks at the Breuner Homewood place.

Mr. and Mrs. George Fay of Mill Valley and their family have vacationed at the Daggett home during August.

It was interesting to learn from Mrs. R. A. Ivey of Rubicon properties, that her father's great-grandfather arrived in Placerville in August 1850, after a 3000-mile trek across the continent. In June, sixty-one years later, his grandson, (Mrs. Ivey's father) R. M. Cuthbert, of San Francisco, with Carol Skinner, now of Lodi and Homewood, drove the first automobile (a Winton) over the same route, from Placerville, to what was then Lucky Baldwin's daughters' hotel at the south end of Lake Tahoe. The two won a trophy presented by the Valvoline Oil Co. for the first car to make it into Tahoe. All went well until they stopped for the night at Kyburz, and awakened to find themselves caught in one of those "unusual" Tahoe summer snow storms. Undaunted, they started out. It took them one day to get as far as Fred's Place. The worst part of the trip over, they rolled merrily over old Echo Summit and down into Meyers.

Mr. and Mrs. W. E. Wickliffe of Berkeley spent the weekend at their lovely, tree-scened Tahoe Pines home, and the appetite was nightly tempted when we scented the steaks sizzling on the outdoor grill in the cool twilight.

TALL, the new Tahoe Air Lines, Inc., got quite a christening when the McKinnon Goose put down at Chambers Lodge dock for inspection. It was a double-feature day, since the Tahoe Yacht Club Junior Ski Carnival was in full swing at the same time. TALL president and owner, Dwight Hansen and Mrs. Hansen were honored at a reception by the Ralph S. Peers, Tahoma.

New mercury - vapor highway lights now gleam the length of Front Street in Tahoe City, replacing the old lighting system. The lights extend to the highway junction of 28 and 89 and were installed by Sierra Pacific Power Co.

Miss Phyllis Howard of Cornell is vacationing at the home of Miss Donald Grass on Dollar Hill. Miss Grass is physical ed instructor at Sacramento State College and spent some time at the cabin this summer.

Mr. and Mrs. Stanley Dollar, Jr. are at the Dollar estate.

Mr. and Mrs. Gardner Mein are at the Mein estate. The W. W. Meins, Sr. are en route to Europe.

Tahoe took the spotlight in last Sunday's San Francisco Examiner with a cover society page picturing the Brooks Walker party and that of the John Merrills, honoring Melinda Menzies, Hope Austen and Diana Hardin, a visitor from Washington, D. C. A column by Frances Moffatt described the social glories of Tahoe's past, stating that the only people who entertain today in the grand manner of Tahoe's past are George Pope, Jr., and John Drum, who still give fabulous parties in the old family homes at the lake.

The second picture-story spotlight described the giant housing boom at Tahoe.

The fire hazard is still extreme but some folks, new to the lake, disregard it and build outside fires whenever the whim strikes them, hazards, fire permits, high winds, notwithstanding. It's difficult to understand their disregard for their own safety, and property, and that of their neighbors. Cause

tions and warnings by those who have lived here many years and have a healthy respect for fire are haughtily brushed off. Whole communities are helpless against this dangerous and illegal defiance. These tempters of disaster should be forced to view the fire-scarred areas around Sierra-

Restaurants are sporting the Olympic insignia on the sugar containers.

Al Fanger of Tahoma was hospitalized by a near-brush with pneumonia, but is back home and feeling better.

The E. Frank Becks of Tahoma had a busy summer entertaining their family. First Captain and Mrs. Beck spent two weeks in Lafayette, while their son, Allen and his wife vacationed at the Tahoma cabin. Later their daughter and her husband, Mr. and Mrs. David A. Barberi of Orinda and the two grandchildren spent two weeks with them. Last week the Becks entertained Mr. and Mrs. Homer Votava of Berkeley.

Huge timbers put in place with a crane are the roofing of two new houses being built at Swiss Village by C. S. Hardeman of San Francisco.

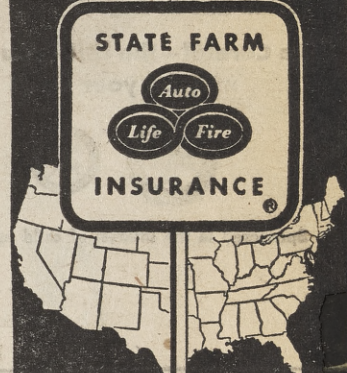

Mr. and Mrs. R. J. Petri of Fond du Lac, Wis. have been trailer travelers to Tahoe for the past 10 years. They spent the summer at Meeks Bay and plan to stay another month if this beautiful fall weather holds.

Ed Bullard, assistant manager of Piedmont-Tahoma store at Tahoma was laid low in the hospital several days with food poisoning. He's up and about and chipper as ever.

Mr. and Mrs. Clark Terrill of Tahoe City welcomed La Nila, born August 22 in Reno, their first child.

Marie Henry reported a board meeting of the Red Cross on September 1 at 8 p. m. in Forest Hill. The board plans to have their monthly meetings in different areas this year to get better acquainted with the lake area, its people, and problems in which (Continued on Page 6)

Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a.m.
Morning Services: 11 a.m.
Man's God-given dominion over disease and enslavement will be stressed at Christian Science services this Sunday.

Accounts of spiritual dominion to be read from the Bible include Christ Jesus' healing of the "woman having an issue of blood twelve years" (Luke 8) and Paul's healing of Eutychus who "fell down from the third loft, and was taken up dead" (Acts 20). The Lesson-Sermon is entitled "Man."
From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read this passage: "The enslavement of man is not legitimate. It will cease when man enters into his heritage of freedom, his God-given dominion over the material senses" (228:11-13).
The Golden Text is from Genesis (1:26): "God said, Let us make man in our image, after our likeness; and let them have dominion over

TNT TIDINGS

The Teachers' Workshop at Tahoe-Truckee High School, enjoyed a new feature this year; a panel discussion of school problems led by a panel of students, some of them recent graduates and others still in school.

Members of the panel were: Lewis Fellows, John Firpo, Linda Loynd, John Olinghaus, Woody Ribbal, Tim Riden, Pat Saarni and Jay Stuart.

The students' attitude toward the school was one of great pride, and their criticism invariably constructive, impressing teachers and visitors with their earnest enthusiasm.

As students outlined features they thought should be changed, there was no evidence of animosity or resentment; several visitors from the county office commented. And the teachers welcomed the discussion enthusiastically, saying that they hoped for a similar one in the next workshop.

Among the many suggestions offered were these: That the homework assignments be regulated on a school-wide basis so that they

the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth."

7 p.m.—M. Y. F.
8 p.m.—Evening worship.
Sermon Topic: "What Can I Believe about the Lord's Supper?"

Communion will be served. The pastor has appointed two "co-chairmen" of the Commission on Stewardship and Finance to replace the elected chairman, who has resigned; these are Don Stumbo and Ray Plunkett. The appointment is subject to confirmation by the First Quarterly Conference, October 7.

Another item of business for the forthcoming quarterly conference will be the nomination and election of the lay member to the annual conference, who represents this church each year in our sessions at Stockton. If you would like to serve and would be available, or if you have a recommendation to offer, please write or phone Rev. Langguth.

Don't lecture too hard; just take it easy, especially at first, the panel advised teachers. But they also insisted that students don't like a teacher who is "too soft" in enforcing rules. They were unanimous in stating that students really like classes where the discipline is good.

WORK IS COMPLETED ON ROAD TO VALLEY

Work has been completed on the widening and resurfacing of the 8.3-mile section of State Sign Route 89 from the Donner Creek Underpass near Truckee to 0.2 mile south of the junction with Squaw Valley road.

The announcement came from the state division of highways district office in Marysville. Officials there said the \$1,374,930 project was initiated to provide an adequate route from U. S. Highway 40 to the site of the 1960 Winter Olympic Games. The former section of road was inadequate to handle the anticipated large crowds.

The new section is a 44-foot, paved roadway. The Squaw Creek bridge was widened to accommodate the new width.

Fredrickson & Watson Construction Co. and Ransome Co. of Oakland were joint contractors for the project.

were apportioned to different dates, not too many at one time; that there should be more consistency in the development of course content from grade to grade; that time for pupil conferences with subject teachers outside of class should be provided; and that frequent short tests were more valuable to the student than one or two big "exams."

Legible writing, they insisted, should be demanded by all teachers because experience had shown these graduates that such writing was a definite asset in job applications, college work and in many business transactions.

They also stressed the importance of "more written work" and "essay examinations." These, they said, taught the students to express their ideas well, and this ability is needed to "get ahead" in college, business, and "in living in general." The graduates said that poorly written papers are not accepted in college, and that they should not be accepted in high school in order to train students for later work in college. This training, they believe, as well as training in good penmanship, should begin in the elementary school.

All students should take "personal typing" in high school as it enables them to produce better written work in less time than it can be produced by any method of penmanship.

Don't lecture too hard; just take it easy, especially at first, the panel advised teachers. But they also insisted that students don't like a teacher who is "too soft" in enforcing rules. They were unanimous in stating that students really like classes where the discipline is good.

WEATHER
 After a few cloudy days the beautiful Tahoe weather is back with reports from the Olympic weather bureau the weather is going to remain pretty much about the same until around the first of December. After that it is hoped there will be a little more precipitation — whether it be rain or snow.
COMMUNITY CLUB
 The first fall meeting of the

Community Club will be held on Wednesday, September 9 at 8 p.m. in the Carpenters Hall. As fast as we are growing there are so many new problems coming up that it is extremely important that we look into them while in their infancy, instead of putting it off and have more of the difficulties we are now experiencing from the past. Supervisor Frank Paoli and possibly other county officials will be present to discuss conditions and it will be for more to your benefit to discuss problems in public instead of back yard fence talk. We also have a great deal of political conditions to talk about as it is about time we have some local representation in the county officialdom. So think it over now and come to the meeting prepared to present your ideas. **ONCE AGAIN**—Be sure to attend the meeting on September 9.

SKI DIRECTOR TELLS ROTARY OF OLYMPICS

TAHOE CITY—Tahoe City Rotarians and visitors heard more on the 1960 Winter Olympics at the August 25 luncheon meeting.

Willie Shaeffer, director of Alpine ski events, said there will be 37 nations competing, 11 of them in ice hockey and there are 27 events in all, promising the greatest event in the history of Winter Olympics. He said February 1 will be open forum for contestants from foreign nations not familiar with elevations as high as Squaw Valley. As to the cost of staging the 8th Winter Olympics, Shaeffer said the cost is to be amortized over a period of 15 years and will cost the taxpayers nothing.

Bob McMahon, program chairman for the month of August and, who is housing director for the Olympics, said there are now contestants from 14 countries behind the "Iron Curtain" entered. He introduced the speaker as formerly with the University of Denver where he was ski coach and professor of physical education. Attending the meeting were 25 members and 30 visitors. Bill Bechdolt presided.

husband, Kenneth met with an accidental death last week. Funeral services were held in Kings Beach on Monday, August 31.

VISITORS
 Visiting us from Pasadena last week were Mr. and Mrs. Russell Kettle who were up on business. Also Mr. and Mrs. Earle Simpson who spent several days taking in the many places of interest around the lake. Fletcher Gould, photographer for the Pasadena Police Department with his family spent a few days at the Waddell's Resort. Fletcher is an old school buddy of Dave Ashton. They were all having a great time at the clubs and took in most of the "Top" shows.

REALTOR PASSES
 We are sad to hear the news of the passing of a great philanthropist, Burton Washburn, who passed away at Catalina Island last week. His home was in Carmichael, however, he had real estate offices pretty well all around the lake and was widely known.

TOWN QUIET
 Something is missing in town today—it's pretty quiet—oh yes, our local youngsters have started school today. Seems way too early but they will be glad when February comes as they will have the whole month off due to the Olympics. There is quite a fleet of school buses to watch at 7:30 in the mornings now, our schools have certainly grown.

Of Angel Island's 640 acres, the State of California now owns 220 acres as a state park.

NOTICE OF REZONING ZONE DISTRICT AREA UNIT NO. 4, LAKE TAHOE SUNNYSIDE AREA

Notice is hereby given by the Placer County Planning Commission that two public hearings will be held by said Commission on Friday, September 11, 1959, and Friday, September 25, 1959 at the Courthouse, Auburn, Placer County, California, at the hour of 10:45 a. m. to consider the petition heretofore filed by James Martin for the reclassification of the hereinafter described lands from residential to multiple dwelling:

Portion of Section 24, T. 15 N., R. 16 E., M.D.B. & M., described as: Beginning at the southeast corner of Lot 4, as per Map No. 2 of Sunnyside in Book D of Maps, at page 53, and running thence Southerly along the Westerly line of the State Highway to a point which bears N 87°58'45" W. from the southwest corner of Lot 10, as shown on said Map No. 2 of Sunnyside; thence N 87°58'45" W. to a point which bears S 2°32'30" W. from the southwest corner of said Lot 4; thence N 2°32'30" E. to the southwest corner of said Lot 4; thence S 88°17'30" E. 272.55 feet along the South line of said Lot 4 to the point of beginning.

At said hearings all persons in favor of the granting of said petition and those opposed thereto may be heard.

HARRY STUBLEY, Secretary
 Placer County Planning Commission
 NANCY CAPERON, Clerk of said Commission.

OLYMPIC POLICING IS TOPIC OF ADDRESS

KINGS BEACH—President Mex Springer presided at the regular meeting of the Rotary Club of North Tahoe, held on Monday night.

After the introductions of visiting Rotarians and guests, with 30 visiting Rotarians representing 16 clubs, the meeting was turned over to program chairman for the evening, Earl Nelson. He introduced Fay Bates of the Placer County Sheriff's office.

Bates topic was "Policing the Olympic Games." He explained that the enforcement of the law would be entirely up to the sheriff's department of the county. Also that the California Highway Patrol would not be able to enforce the law in Squaw Valley only up to the entrance gates.

He also stated that jail facilities would have to be provided in the immediate vicinity of Squaw Valley. Bates concluded his talk by

GOLD RUSH FETE AT AUBURN IS SLATED

In Auburn plans have been completed for the four day Gold Rush Revival Celebration designed to make the spirit of the early days live and roar again. The event is being held in conjunction with the Auburn District Fair, September 10, 11, 12, 13.

Gold panning opportunities as well as gold will be available for all visitors, genuine Indians will roam about an Indian village, a Hellorado saloon (among other things) will feature can-can girls. Golden nuggets will be found in the streets of Auburn's historic Lower Town, and western style gunmen will shoot up the town. Dancing will be held in the streets as well as every night at the fair grounds.

CARD OF THANKS
 We wish to thank Dr. Pier and the staff at the Tahoe Forest Hospital for their sincere efforts in behalf of our son, Steven Charles. Sincerely,

DONNER DOINGS

BY VIRGINIA O' BEAR

Miss Claudette Bianchi of Reno, spent the weekend at Donner Lake and around Tahoe having fun picnicking, swimming and getting sunburned. Claudette had not been up to see us since the boat races in July as she has been busy working in a candy store in Reno.

The Donner Lake Property Owners' Association will hold a meeting at the west end of Donner Lake on September 6, at 1 p. m. The meeting has an estimated length of one hour and will start promptly. There will be a report from officers and the committees and also a report from the beach committee.

Also on the agenda will be voting to amend the by-laws. Any member in good standing may attend and cast their ballot. Purpose of these new by-laws is to keep unauthorized persons from using facilities at the beach and a plasticized card is absolutely necessary to enter the beach area.

WEST SHORE

(Continued From Page 3)

they may be able to help. All are welcome at the meetings.

Lewis Fellows of Carnelian Bay, who graduated from the Tahoe-Truckee schools, drove a milk truck all summer and is set to enter San Jose State this fall to major in physical ed. Lewis is also a star skier.

Dave Donaldson has moved his family to Tahoe City from San Leandro. They're renting until their house in Olympic Heights is finished.

The Woman's Club met for luncheon Sept. 3 at the Trade Winds, Kings Beach.

End-of-summer-blues: Peg Wheeler of Cunningham's restaurant received a post card from a friend who took one of those "Fly-now-pay-later" jaunts to Europe. It read: "Having wonderful time. Wish I could afford it."

Sally Anaclerio of College of the Pacific, and Lafayette is director of Region III of The National Spurs, a service honorarv for sophomore college women and this week is host to the national officers executive council meeting at her home in Tahoma. Attending are president Corinne Lyle of Washington State College, Pullman, Wash.; vice president Ruth Balenger, University of New Mexico, Albuquerque; secretary-treasurer Mrs. N. T. Martin, Denver, Colo.; editor, Grace Warnick, Utah State University, Logan, Utah; director, Region I, Marilee Anderson Pacific Lutheran College, Tahoma, Wash.; Director Region II, Zetta Lee, Brigham Young University, Provo, Utah.

In between business sessions the girls are enjoying Tahoe's beauties, swimming and water skiing. The National Spurs has 37 chapters in 12 states in the west and midwest.

Mr. and Mrs. Hank Slack spent the weekend in Grass Valley and while there attended the County Fair. Dorothy said they enjoyed it very much and on Saturday night a group of friends got together for an annual (delayed) New Year's Eve party. This group of friends usually get together every New Year's but were unable to celebrate '59 until now. The occasion was held at the home of Mr. and Mrs. C. Merle Stark after the group had dinner at the Gold Center Club in Grass Valley. Before the celebration was over, a surprise visit was made by Mr. and Mrs. Tom Stark. Tom will be remembered in this area as he worked for a local grocery store in Truckee and was quite popular with the young people.

Mrs. Grace Heitz and grandson Tony Heitz left Saturday for Healdsburg so Tony could register for school. Tony's father, Wayne Heitz will be moving back to Healdsburg in two weeks as soon as his work is completed on the back of the Moon Motel. We are sorry to see his family leave Donner Lake but maybe some day they will come back.

Tahoe Vista friends are greeting Mr. and Mrs. H. J. Chanda after the couple's prolonged stay at Gardena. Mrs. Chanda is recovering from an operation which delayed their return home.

Mr. and Mrs. John Neronde, summer residents of many years at Tahoe City plan to leave soon for Sacramento.

August 19, 1959
Present: John T. Trauner, Clerk
Harold A. Berliner, District
Attorney

The meeting was called to order at 10:05 a. m. by the Chairman of the Board and all members of the Board were noted as present.

The minutes of the previous meeting were read to the Board and a motion was made, duly seconded and passed unanimously, approving the minutes as read.

Mr. George Bartlett appeared before the Board relative to the Mooney Flat FAS Road and the Road Commissioner, present in the audience, stated the funds for such project are at the present time being held up by the State of California.

The County Sanitarian appeared before the Board and discussed the health situation created by indiscriminate dumping of refuse along county roads. The District Attorney was directed to prepare an ordinance that would control the problems.

Mrs. Margery Worth, County Welfare Director, appeared before the Board and rendered the report of the Welfare Department and recommended to the Board that a new contract with California Physicians Service be signed for a period of one year.

Mr. Wurst, representing the Department of Fish and Game in the Truckee area, appeared before the Board and requested the Board buy a horse trailer to be used by that department for law enforcement. A motion was made, duly seconded and passed unanimously, authorizing the purchase of a horse trailer at a cost not to exceed \$750.00.

The Purchasing Agent appeared before the Board and entered into a discussion on the Loma Rica Airport Surfacing Project and a letter was read from the County Surveyor recommending that the Board accept the Airport Construction Project.

A motion was made by Supervisor Smart, duly seconded to accept the Airport Paving Construction Project and to pay the contractor in accordance with the contract the sum of \$28,985.00. Upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District no
Supervisor Fourth District no
Supervisor Fifth District aye
The motion carried.

At this time the Clerk was directed to file a Notice of Completion in the office of the County Recorder in regards to the Airport Paving Project.

At this time the Board adjourned for lunch to reconvene at 1:30 p. m.

AFTERNOON SESSION:

The Board reconvened at 1:30 p. m. and it was noted that all members of the Board were present.

Mrs. Berger a representative of the Nevada City Garden Club appeared before the Board with various members of the club in attendance in regards to the garbage being indiscriminately dumped on Deer Creek Lane, which is an extension of Boulder Street. Each of the ladies present in the audience entered into a discussion on methods of control.

The County Clerk informed the Board he received a Summons from the Secretary of State requesting his attendance at a meeting in Sacramento on September 16th, 17th and 18th. A motion was made, duly seconded and passed unanimously, authorizing the attendance of the County Clerk to the Secretary of State's meeting.

A motion was made by Supervisor Loehr, duly seconded and passed unanimously, authorizing the Chairman to sign a Service Agreement with the Division of Highway for Weed eradication.

At this time Judge Foster Wilson, Judge of the Truckee Judicial District Court, appeared before the Board and requested that he be allowed to employ an additional clerk in that office and the matter was deferred until September 1, 1959.

Mr. Downey Clinch, Chairman of the County Airport Commission, appeared before the Board and rendered a report on the Airport projects and stated the need for additional work to be done on the airstrip. A motion was made by Supervisor Smart, duly seconded, directing the Clerk to issue a minute order to the Purchasing Agent, authorizing the said Purchasing Agent to enter into negotiations with Huntington Brothers, General Contractors, to repair the shoulders of the airstrip at a cost not to exceed \$990.00, and to enter into negotiations to paint a center line stripe on the airstrip at a cost not to exceed \$100.00. Upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District no
Supervisor Fourth District no
Supervisor Fifth District aye

Mr. Charles Kitts, Department Heads Association, and Mr. Wayne Brown, Head of the Insurance Committee of the Department Heads Association, appeared before the Board and requested the Board to consider some type of participation in the health insurance premium. The matter was deferred until September 1, 1959.

Sheriff Wayne Brown entered into a discussion on a dog control ordinance and the matter was referred to Mr. Bishop and Mr. Smart for them to discuss a feasible agreement with the cities of Grass Valley and Nevada City.

Mr. Robert Graham appeared before the Board and rendered the Road Department report and said report was accepted and ordered filed.

A letter from Mr. Jean Overmire and a petition for thirty-seven persons concerning the "Power Line short cut" road was read to the Board, and Mr. Graham stated to the Board that the road does not belong to the county.

A letter was read from the Pleasant Ridge Union School Board of Trustees and Mr. Fellersen, Superintendent of Schools, appeared on their behalf and requested information from the Board as to when the Board intended to realign and repair the road to the school. A general discussion was had but no official action was taken by the Board at this time.

Mr. Dale Smith, Chairman of the Board of Trade, appeared before the Board and requested permission to set up Trust Accounts for each of the fairs that the county would participate in. A motion was made by Supervisor Loehr, duly seconded, directing the Auditor to set up a Trust Account in the amount of \$1250.00 for the Los Angeles County Fair, and \$700.00 for the California State Fair in the Bank of America. Upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District no
Supervisor Fourth District no
Supervisor Fifth District aye

Mr. Smith then announced to the Board that September 21, 1959 would be Nevada County Day at the Los Angeles County Fair and that a trophy would be awarded in the name of the County to the winning horse in the daily horse race at the fair.

Dr. W. W. Reed appeared before the Board and a discussion was entered into on the absence of Dr. Foster at the present time, and a motion was made by Supervisor Loehr, duly seconded and passed unanimously placing Dr. Foster on a medical leave of absence: as County Health Officer.

A motion was then made by Supervisor Loehr, duly seconded and passed unanimously, appointing Dr. Stanley Ogush as County Health Officer during Dr. Foster's leave of absence.

A general discussion was entered into with the Board and Dr. Reed on the pay scale for nurses in effect at the County Hospital, and Dr. Reed recommended that the Board adopt a higher pay scale for the Assistant Director and the Director of Nurses then presently in effect. A general discussion ensued and Mr. Berliner informed the Board that this would have to be a Salary Ordinance amendment.

The Piedmont plateau in western Maryland has some of the oldest rocks known to man.

At the request of the County Auditor and upon a motion made by Supervisor Loehr, duly seconded, Resolution No. 59-44 was adopted; said resolution adopted the Final County Budget for the Fiscal Year 1959-60 and levied a tax rate of \$1.89 per \$100.00 assessed valuation. Upon a roll call ballot the following vote was recorded:

Supervisor First District aye
Supervisor Second District aye
Supervisor Third District aye
Supervisor Fourth District aye
Supervisor Fifth District aye
At this time the Board levied all of the School District and Special District tax rates.

A motion was then made by Supervisor Loehr, duly seconded and passed unanimously, to adjourn Sine Die.

WATERFOWL SEASON WILL OPEN OCT. 7TH

A 94-day waterfowl season will begin at noon October 7 and continue through January 8 as the result of regulations adopted Aug. 19, by the California Fish and Game Commission.

The regulations were adopted within the framework allowed by the U. S. Fish and Wildlife Service.

After the noon opener on Wednesday, October 7, shooting hours for all migratory waterfowl will be from sunrise to sunset. In previous years, waterfowl hunters were permitted to begin shooting one-half hour before sunrise.

The 1959-60 regulations are as follows:
Ducks—Bag and possession limit for ducks will be five birds daily and, after the opening day, 10 in possession. Bag and possession limit must not include more than two canvasbacks, redheads, or ruddy ducks or the aggregate of these species.

Geese—Bag and possession limit is six geese with not more than three of the dark species. In District 22 (parts of Imperial, Riverside and San Bernardino Counties), one Canada goose or subspecies may be taken. In District 22, the goose season is from October 7 through December 13.

MORE JOBS IN AREA DURING SEPTEMBER

AUBURN—There will be more jobs for the unemployed in Placer County during September.

Ralph Pile, manager of the state employment office in Auburn, said September will be a high month for job opportunities as a result of the termination of summer and vacation employment.

Pile said there were less unemployed in July than in June. He noted there were 602 new job applicants in June as compared to 336 in July.

During July the local office placed 296 in new jobs, 88 of which were farm labor positions.

Pile indicated there will be a decline in job opportunities after September when seasonal work ceases.

But the local office anticipates a shortage of service help in the Lake Tahoe area at the time of the Winter Olympics.

Back From Idaho—Lester Lazzari has returned home after attending the summer encampment of the Reno Air National Guard at Boise, Idaho.

MOUNTAINEERS TO FACE FALLON AFTER LOSING TO VERDI 9

By JOHN FIRPO

Eight walks issued by Ace Craig Robinson despite allowing only 4 hits told the tale last Sunday at Verdi as the Verdi Vandals edged past the Truckee Mountaineers 7-6, for the championship of the Sierra-Nevada League.

Verdi scored first in the initial inning by taking advantage of 3 walks, 2 errors, and a single to score three runs and jump off to an early game lead.

Truckee bounced right back in the second frame, after Ernie Pello led off and reached first safely on the first-sacker's error. Bill Campbell then brought the Truckee rooters to their feet with a tremendous blast over the left field fence to move the visiting Mountain Men to within one run of Verdi.

In the bottom half of the same stanza the Vandals put together two walks, a steal, and ground out to tally one more run and make it 4-2 after two complete innings of play for the Mountaineers. Louie Goicoa stirred the coals up by doubling, Cooper holding at third. Neal Love fanned to make it two away. Ernie Pello then came through in the clutch to single and bat home two runs to make it 7-6. It was all to good though as Bill Campbell forced Pello then came through in the clutch to single and bat home two runs to make it 7-6. It was all to good though as Bill Campbell forced Pello at second to end the contest.

Wes Apperson was the winner; fanning 12. Craig Robinson was the loser; his first defeat of the '59 campaign and left him with a 9-1 record. He allowed only 4 hits while his mound opponent Apperson allowed 10. The difference was in control though as Apperson issued two base on balls to Robinson's eight. Robinson previously had never walked more than five men in any one game.

Howard Zunino and Gab Flores of Verdi got the only base hits off the Mountaineer right-hander; all singles. Ernie Pello was the batting star for Truckee getting three hits and batting in four of the six runs. Louie Goicoa and Neal Love had two hits apiece also in the Mountaineer offensive attack.

This Sunday the Mountain Men host the Fallon Merchants in the first game of the zone playoffs at Truckee.

erning factors and the 33 mark was established as dangerous.

To date, had this plan been in effect, Truckee loggers would have lost only two days and Sierra Nevada loggers five days during the current season.

Other discussions at the meeting included possible steps to reduce smoker, miscellaneous, incendiary debris and campfire caused fires.

It was noted that the fire season is only half over with a 200 per cent increase in fires over last year. All persons attending the meeting left with the idea of tightening up on their operations and the important job ahead in fire prevention.

Representatives of the following agencies and companies attended: Plumas and Tahoe National Forest, State Division of Forestry, California Highway Patrol, Department of Fish and Game, Division of Highways, U. S. Air Force, Sierra County sheriff's department, supervisors of Sierra County, Sierra Pacific Power Company, Sierra-Plumas Rural Electric Co-op, Fibreboard Products Corp., Holstrom Lumber Company, Feather River Mills, Sierra Lumber Company, Copren's Lumber Company, Knox Logging Company and Hopkin's Logging Company.
